14. After 1,7km cross D156 → Chez Beaudut
15. After 180mtr follow the road to the right (straight on = cul de sac) This road is the border between Charente and Charente-Maritime
16. After 1,3km first paved road left (at strange kink in the road)
17. After 110mtr cross D100 (forbidden > 6 tons)
18. After 1,2km end of road right → Chez Maudet
19. After 1,5km you can visit some beautiful excavations on the left and right.  
The gravel roads leading there are officially closed, but you can enter on bike pretty easy.  
On foot count 5 minutes to the excavation on the left and a bit further 10 to 15 minutes walking to the ones on the right. Access on bike is easier to the right.

Distance until the excavations 17km (10,7 miles)
