To get from the Intermarché to the center of Montguyon turn left at the big roundabout at the petrolstation. Take 1st road right (at Renault garage) and immediately left. At the end of the road turn right and you are in the main street. The last part has a pretty steep descent !

On the way back initially go the same way back, but after the highest point do not go straight on to the Renault garage but keep to the left towards “Zone d’Activités Les Maines”. Then after 450mtr at the end of the road turn right → Le Gât and follow the description from point 5.
